OBITUARY

Lillie Mae Morton was born on February 18th, 1928 in Allendale, South Carolina to parents Robert and Maude Lothholt, to whom were also conceived her two sisters, Maude and Saddie, and one brother, Johnny - all of whom preceded her in passing.

As a youth, Lillie Mae was educated in the South Carolina public school system, and once married, she often worked as a housekeeper to assist her husband, Robert, in providing additional income for their family.

In 1958, she became a member of New Hope Baptist Church and faithfully attended services there until 1966, when Day Star Church became her new church home. This was where she received the precious gift of the Holy Ghost, and where Robert would later join her, also receiving Christ as His Lord and Savior.

In 1974, she and her beloved husband came together to Evangelistic Church of Christ of the Apostolic Faith where they remained for the length of their days, and though Robert preceding her in passing in 1985, Mother Morton faithfully served until her own time came.

Mother Lillie Mae Morton was an anointed tarrier of souls, and was accorded much respect among young people because of the wise and caring counsel she gave so freely and often. Her love of souls was palpable, and her willingness to pray for their private issues (and keep them private) was a great source of consolation to many.

She leaves to mourn her precious jewels and diamonds. Three daughters, Anna Marie, Paulette and Celeste; two sons-in-law, Hosea Parker & June Armstrong; seventeen (17) grandchildren, sixteen (16) great-grandchildren, and a host of family members, church family and friends.

"Yes, she left us, but we will always hold her teaching dearly. Good bye, mom, and I will see you in the rapture." - Your Loving Daughter,

EVERYONE WHO MOURNS WITH US
AND TRAVELED FROM BOTH NEAR AND FAR

EVERYONE WHOSE LIFE SHE TOUCHED
OR HELPED TO COME TO KNOW THE LORD

ALL WHOSE HEARTS ARE NOW LIKE OURS
SO SADDENED BY THIS NEWEST SCAR

SHE SENDS TO YOU FROM HIS WIDE ARMS
THE COMFORT OF HIS FAITHFUL WORD
